

# The BOATHOUSE

Tom, Rich & Robson welcome you to The Boathouse. A bar, restaurant & activity centre in North East Wales.

Our head chef Dave prides himself on providing tasty home cooked food all is cooked fresh to order. Most of our seasonal vegetables are grown in our garden, only 40 yards away.

During busy periods, please bear with us, as quality takes a little time.

Wherever possible our entire menu is available all of the time, but sometimes during busy times some things may be unavailable.

The Boathouse is also a great venue for parties and events. We can cater for up to 200 people inside, and many more if using tipis or marquees out on our grounds.

The Marina Suite is licensed for wedding ceremonies and we pride ourselves on making your special day perfect.

On top of all that, downstairs there is a full outdoor activity centre, offering a wide range of outdoor adventures, holidays, birthday, stag and hen parties as well as team building and first aid training.

Thanks for visiting us, we hope you have a great time and come back again and again
